Student Corner:

Thanks for being Jesus' hands and feet this week!

We couldn't do VBS without you!

- BE a role model—all the children are taking their cues from you.
- BE an enthusiastic participant! Your enthusiasm will carry over to the kids in your care.
- BE aware! Take headcounts frequently—if someone turns up missing, alert staff immediately.
- BE responsible! Please stay until all your kids have been picked up.
- BE proactive! Stay aware so you can prevent problems before they start.
- Pro tips: Your crew bag includes a schedule, tissues, band-aids, writing tools, coloring pages and post-it notes. Bring a water bottle for you!

Please save phone usage for after VBS. Please do not take pictures of the kids and post them on social media—some children are not permitted to have pictures on social media.

If you have a food allergy, please make sure you get a bracelet from the registration table so that we have an accurate number for the kitchen.

I have read and understood these rules and agree to follow them:

Please review the following rules with your students.

We want everyone to have a great time and to be safe so a few rules will help set the expectations.

Thanks for your help!

1. Keep hands and feet to myself
2. Run in church only during Game Time.
3. Be polite in language and deed.
4. Listen carefully and follow Leader's directions.
5. Raise my hand for attention.
6. Show respect for the church building and property of others.
7. Stay with my group or team.

I pledge to model these rules for the children in my care to the very best of my ability:

PARTICIPATION AGREEMENT:

I acknowledge that participation in the activity described above involves risk to the participant (and to the participant's parents or guardians, if the participant is a minor), and may result in various types of injury including, but not limited to, the following: sickness, exposure to infectious/communicable disease, bodily injury, death, emotional injury, personal injury, property damage, and financial damage.

In consideration for the opportunity to participate in the activity described above (the "activity"), the participant (or parent/guardian if the participant is a minor) acknowledges and accepts the risks of injury associated with participation in and transportation to and from the activity. The participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during the activity or during transportation to and from the activity, as well as for any medical treatment rendered to the participant that is authorized by the sponsor (The Lighthouse) or its agents, employees, volunteers, or any other representatives (collectively referred to as the "activity sponsor"). Further, the participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless the activity sponsor for any injury arising directly or indirectly out of the described activity or transportation to and from the activity, whether such injury arises out of the negligence of the activity sponsor, the participant, or otherwise.

If a dispute over this agreement or any claim for damages arises, the participant (or parent/guardian) agrees to resolve the matter through a mutually acceptable alternative dispute resolution process. If the participant (or parent/guardian) and the activity sponsor cannot agree upon such a process, the dispute will be submitted to a three-member arbitration panel for resolution in accordance with the rules of the American Arbitration Association.
