Parent's Corner:

Thanks so much for joining us this week! We are truly looking forward to all this week has in store. Following are some tips and ideas to make the week a success. Please let us know how we can serve you. We love to pray—just ask!

Please leave all electronics at home. You can contact the church office if you need an update on your child. 360-254-5198

If you would like to send a water bottle with your student, please be sure it is labeled with their name. They will be responsible for it all week.

If your student has a food allergy, please indicate it under the "special concerns" section on the "Child Information" box. We will give them a bracelet to wear for the week so their leader knows that they get the alternative snack.

If you have any other questions or concerns Director Krista can be reached at:

Krista.edman.pnw@gmail.com or 503-407-1591

*** please sign the participation agreement and media release on the back of this form***

PARTICIPATION AGREEMENT:

I acknowledge that participation in the activity described above involves risk to the participant (and to the participant's parents or guardians, if the participant is a minor), and may result in various types of injury including, but not limited to, the following: sickness, exposure to infectious/communicable disease, bodily injury, death, emotional injury, personal injury, property damage, and financial damage.

In consideration for the opportunity to participate in the activity described above (the "activity"), the participant (or parent/guardian if the participant is a minor) acknowledges and accepts the risks of injury associated with participation in and transportation to and from the activity. The participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during the activity or during transportation to and from the activity, as well as for any medical treatment rendered to the participant that is authorized by the sponsor (The Lighthouse) or its agents, employees, volunteers, or any other representatives (collectively referred to as the "activity sponsor"). Further, the participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless the activity sponsor for any injury arising directly or indirectly out of the described activity or transportation to and from the activity, whether such injury arises out of the negligence of the activity sponsor, the participant, or otherwise.

If a dispute over this agreement or any claim for damages arises, the participant (or parent/guardian) agrees to resolve the matter through a mutually acceptable alternative dispute resolution process. If the participant (or parent/guardian) and the activity sponsor cannot agree upon such a process, the dispute will be submitted to a three-member arbitration panel for resolution in accordance with the rules of the American Arbitration Association.
